LEGISLATIVE COUNSEL'S DIGEST

SB 11, as amended, Committee on Budget and Fiscal Review. Budget Act of ~~2008~~. 2008: *State and local government.*

(1) Existing law requires the amount appropriated by the Legislature for the use of the Department of Motor Vehicles and the Franchise Tax Board for the enforcement of the Vehicle License Fee Law, to be transferred from the Motor Vehicle License Fee Account in the Transportation Tax Fund to the Motor Vehicle Account in the State Transportation Fund, as specified.

This bill would instead require that this amount calculated for support of the Department of Motor Vehicles for the enforcement of the Vehicle License Fee Law be deposited in a Local Agency Public Safety Account in the Transportation Tax Fund, which would be allocated for specified purposes.

(2) Existing law authorizes counties and cities and counties to apply to the Controller to receive specified funding for certain booking or detention expenses.

This bill, during the 2008–09 fiscal year, would require 50% of the funding from the Controller to be funded from the Local Agency Public Safety Account, and during the 2009–10 fiscal year would require those payments to be fully funded from that account, thereby resulting in an appropriation.

(3) Existing law requires the Department of Corrections and Rehabilitation to allocate \$168,713,000 among counties based on a specified allocation schedule.

This bill would instead require the Controller to allocate the funds deposited in the Local Agency Public Safety Account to each county to support juvenile probation activities, thereby resulting in an appropriation.

(4) Existing law establishes in each county treasury, a Supplemental Law Enforcement Services Fund to receive all amounts allocated to a county to fund specified public safety programs.

This bill would, commencing March 1, 2009, require the Controller to fund the Supplemental Law Enforcement Services Fund from the Local Agency Public Safety Account in the Transportation Tax Fund, thereby resulting in an appropriation.

(5) Existing law annually appropriates from the General Fund to the Controller for allocation to county sheriff's departments, \$500,000 to county sheriff's departments to enhance law enforcement efforts in specified counties.

This bill would, during the 2008–09 fiscal year, reduce this appropriation to \$275,000 to specified county sheriff's departments, and would eliminate this appropriation for each fiscal year thereafter.

(6) Existing law requires the Department of Motor Vehicles to charge a registration fee of \$31 on every vehicle or trailer coach, as specified.

This bill would require the department, on March 1, 2009, and thereafter to charge a registration fee of \$43 on every vehicle or trailer coach, as specified.

(7) Existing law appropriates \$5,000,000 to the California Commission on Improving Life Through Service, on an annual basis, for the purpose of funding grants to local and state operated Americorps and Conservation Corps programs.

This bill would eliminate that appropriation.

(8) Under existing law, every constitutional amendment, bond measure, or other legislative measure submitted to the people by the Legislature shall appear on the ballot of the first statewide election occurring at least 131 days after the adoption of the proposal by the Legislature. Existing law provides that elections held in June and November of each even-numbered year, and elections held the first Tuesday in February of each year evenly divisible by the number 4, are statewide elections and these dates are statewide elections dates. Under existing law, the statewide elections in June and November of each even-numbered year are held on the first Tuesday after the first Monday of the month.

This bill would require that any Senate Constitutional Amendment or Assembly Constitutional Amendment adopted during the of the 2007–08 Fourth Extraordinary Session be submitted to the voters at the November 2, 2010, statewide general election in accordance with the provisions of the Government Code and the Elections Code governing the submission of statewide measures to the voters.

(9) This bill would provide that it shall become effective only if either SB 6 or AB 6 of the 4th Extraordinary Session is chaptered.

(10) This bill would declare that it is to take effect immediately as an urgency statute.

This bill would express the intent of the Legislature to enact statutory changes relating to the Budget Act of 2008.
